

GRADING POLICY FOR ELE401-ELE402 REPORTS

ELE401 First Interim Report:

- Project Description (10 pts)**
- Engineering Standards and Design Constraints (40 pts)**
- Background (40 pts)**
- Format and Style (10 pts)**

ELE401 Second Interim Report:

- Methods (50 pts)**
- Preliminary Design (40 pts)**
- Format and Style (10 pts)**

ELE401 Term Report:

The report will not be evaluated unless the sections “Engineering Standards and Design Constraints” and “Methods” are present and complete.

- Project Description (5 pts)**
- Engineering Standards and Design Constraints (20 pts)**
- Background (10 pts)**
- Methods (15 pts)**
- Preliminary Design (20 pts)**
- Team Work (mandatory for group projects)**
- Comments and Conclusions (10 pts)**
- Format and Style (10 pts)**
- Logbook (10 pts)**

ELE402 Interim Report:

The report must contain at least two iterations.

- Prototype (40 pts)**
- Iterations (50 pts)**
- Format and Style (10 pts)**

ELE402 Final Report:

- Project Description (5 pts)**
- Engineering Standards and Design Constraints (5 pts)**
- Background (5 pts)**
- Methods (5 pts)**
- Preliminary Design (5 pts)**
- Prototype (5 pts)**
- Design Process (10 pts)**
- Final Design (40 pts)**
- Team Work (mandatory for group projects)**
- Comments and Conclusions (10 pts)**
- Logbook (10 pts)**
